**Published by National Finance Ltd.: November 16, 2025**

## **PREFACE**

The ability of the financial services industry to achieve the socio-economic objectives and in the process bring more and more customers into its fold will ultimately depend on the satisfaction of the customers. We have a strong belief that a satisfied customer is the foremost factor in developing our business.

## **OBJECTIVES OF THE CHARTER**

The Charter has been developed to promote good and fair banking practices and to provide information on various activities relating to customer services and to foster trust and confidence in the National Finance Ltd (NFL). This is not a legal document and does not intend to create any new rights or obligations either on the part of the Company or on the part of the customers, other than those that accrue as per contractual regulatory obligations in the normal course of business.

only key information on various services/facilities has been provided in this document. Each service has its own detailed Terms and conditions which are displayed on our website.

## **CORPORATE VISION**

To be the leading and choice financial institution providing financial services in response to the emerging markets and to promote and accelerate the socio-economic developments of the communities of the people's republic of Bangladesh by 2021.

## **PERFORMANCE PLEDGE**

We, the officers and employees of **National Finance Ltd (NFL)** pledge to:

- Treat clients as an essential part of our organization with courtesy and respect; Provide clients with complete and correct information as promptly as possible;
- Personally, providing services to client's concerns until they are resolved to their satisfaction;
- Keep client's personal financial information completely confidential;
- Do everything, we can to provide clients with a mix of products that works best for their needs;
- Extend the range of financial services to satisfy the needs of the company's clients;
- Look out for the client's best interest at all times.
